This shall include all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. Such right of set-off may be exercised by Lender against Borrower or against any assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor, or against anyone else claiming through or against Borrower or such assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor, notwithstanding the fact that such right of set-off has not been exercised by Lender prior to the making, filling or issuance or service upon Lender of, or of notice of, assignment for the benefit of creditors, appointment or application for the appointment of a receiver, or issuance of execution, subpoena or order or warrant. Lender will not be liable for the dishonor of any check when the dishonor occurs because Lender set-off a debt against Borrower's account. "Borrower"

1. Borrower agrees to provide the Lender with a current, complete financial statement(s) within 90 calendar days of year ending on December 31st and each consecutive year thereafter until all principal and interest due and payable to the Lender under the terms of the Note and other Notes Borrower owes the Lender are fully paid. If Borrower's business fiscal year end is other than December 31st, then Borrower shall provide the Lender with the business financial statement within 90 calendar days of the fiscal year end used on tax returns as filed with the Internal Revenue Service ("IRS").

All contingent liabilities (guaranteed, co-signed, or other indirect debts of Borrower) shall be reflected on financial statements. Borrower agrees that when he/she maintains or owns a controlling interest in a sole partnership, a partnership, an LLC, or a corporation, or any other entity listed on my financial statement or tax return, to provide the Lender with financial statements within the same time frames as stated above.

If Borrower's aggregate indebtedness to the Lender equals or exceeds \$1,000,000, the Lender may require Borrower to obtain an audited financial statement. Borrower will be responsible for the full payment of the audited financial statement.

All financial statements shall be prepared and presented to the Lender in the following manner:

All financial statements: 1. shall be addressed to Fidelity Bank; 2. shall be dated; 3. shall be executed or signed by Borrower; and 4. shall indicate each debt's repayment term/schedule. An incomplete financial statement will not satisfy the financial statement requirement of the Lender. If Borrower is contacted by staff of the Lender and notified of an incomplete financial statement, Borrower shall provide or correct the necessary information within 10 calendar days from the date of notification.

- 2. Borrower agrees to provide the Lender with copies of personal tax returns and business tax returns within 15 calendar days of filing the tax returns with the IRS. If Borrower requests an extension from the IRS for filing personal and/or business tax returns, Borrower agrees to provide a copy of the extension request to the Lender within 15 calendar days of filing the request with the IRS. Borrower agrees to provide current tax returns on all related entities including partnerships, LLC's, trusts, and corporations.
- 3. Failure on the part of the Borrower to provide to the Lender with financial statements or tax returns as required shall constitute a condition of default of the Note.
- 4. Borrower agrees to provide the Lender additional information as requested to assist with determining borrower's financial condition including supporting documentation to financial statements or tax returns.
- 5. Borrower agrees to pay all property taxes assessed on the properties securing loans by the due date shown on the tax statement prepared by tax collector in the county where the property is located. If property taxes become delinquent on collateral securing loans, this is a condition of default as the collateral securing loans may be certified to the State of Arkansas jeopardizing the Lender's mortgage. The Lender may take legal action including but not limited to foreclosure when Borrower fails to pay property taxes on time. If Lender pays to redeem delinquent property taxes, the Borrower agrees to reimburse Lender in the manner prescribed the Lender. Repayment to the Lender may include adding the delinquent property taxes to Borrower's loan(s) through an advance and an increase in the payment schedule through monthly or other periodic payments.
- 6. Borrower agrees to reimburse Lender expenses incurred for a new appraisal or evaluation of any and all collateral securing loans owed to the Lender in the event:

Revised 07.22.2019

- (a) The Borrower is in default per the terms of the Note or Addendum
- (b) Any of the Borrower's loans cause an increased risk to the Lender due to deterioration in the Borrower's financial condition due to economic or legal reasons or other information causes the Lender to believe that the Borrower's financial condition has deteriorated (such as high debt to worth ratios, declining or negative earnings trends, negative cash flows, declining or inadequate liquidity, questionable repayment sources, and lack of welldefined secondary repayment source).
- (c) The Borrower has failed to pay property taxes timely
- (d) The Lender believes economic conditions or the physical condition of the property may have negatively impacted the value of the collateral

Lender may order new appraisal or valuation without prior consent of Borrower when any of the above circumstances occur.

The Borrower may reimburse the Lender for the full amount of new appraisals or valuations by payment of cash or the Lender may add the amount to the Borrower's loan. The Borrower's monthly or periodic loan payment may increase until the amount of the new appraisal or valuation is paid in full.

The Debtor agrees that, whenever a default exists, all Obligations may (notwithstanding any provision in any other agreement), at the sole option and discretion of the Lender and without demand or notice of any kind, be declared, and thereupon immediately shall become due and payable; and the Lender may exercise, from time to time, any rights and remedies, including the right to immediate possession of the Collateral, available to it under applicable law. Lender. The Lender shall, in the event of any default, have the right to take possession of and remove the Collateral, with or without process of law, and in doing so, may peacefully enter any premises where the Collateral may be located for such purpose. Debtor waives any right that Debtor may have, in such instance, to a judicial hearing prior to such retaking. The Lender shall have the right to hold any property then in or upon said Collateral at the time of repossession not covered by the security agreement until return is demanded in writing by Debtor. Debtor agrees to pay all reasonable costs of the Lender in connection with the collecting of the Obligations and enforcement of any rights connected with retaking, holding, testing, repairing, improving, selling, leasing, or disposing of the Collateral, or like expenses. These expenses, together with interest thereon from the date incurred until paid by Debtor at the maximum post-default rate stated in the notes secured hereby, which Debtor agrees to pay, shall constitute additional Obligations and shall be secured by and entitled to the benefits of this Agreement. The Lender may sell, lease, or otherwise dispose of the Collateral, by public or private proceedings, for cash or credit, without assumption of credit risk. Unless the Collateral is perishable or threatens to decline speedily in value or of a type customarily sold on a recognized market, Lender will send Debter reasonable notice of the time and place of any public sale or of the time after which any private sale or other disposition will be made. Any notification of intended disposition of the Collateral by the Lender shall be deemed to be reasonable and proper if sent United States mail, postage prepaid, electronic mail, facsimile, overnight delivery or other commercially reasonable means to the Debtor at least ten (10) days before such disposition, and addressed to the Debtor either at the address shown herein or at any other address provided to Lender in writing for the purpose of providing notice. Proceeds received by Lender from disposition of the Collateral may be applied toward Lender's expenses and other obligations in such order or manner as Lender may elect. Debtor shall be entitled to any surplus if one results after lawful application of the proceeds. If the proceeds from a sale of the Collateral are insufficient to extinguish the Obligations of the Debtor hereunder, Debtor shall be liable for a deficiency. Lender shall have the right, whether before or after default, to collect and receipt for, compound, compromise, and settle, and give releases, discharges, and acquittances with respect to, any and all amounts owed by any person or entity with respect to the Collateral. Lender may remedy any default and may waive any default without waiving the default remedied and without waiving any other prior or subsequent default. The rights and remedies of the Lender are cumulative, and the exercise of any one or more of the rights or remedies shall not be deemed an election of rights or remedies or a waiver of any other right or remedy.

FUTURE ADVANCES AND AFTER-ACQUIRED PROPERTY. Future advances may be made at any time by the Lender under this Agreement to the extent allowed by law. The security interest grant contained in this Agreement also applies to any Collateral of the type(s) identified in this Agreement that the Debtor acquires after this Agreement is executed, except that no security interest attaches to after-acquired consumer goods unless the Debtor acquires rights in such goods within 10 days of Lender giving value. In anticipation of future advances by Lender, the Debtor authorizes Lender to file any necessary financing statements to protect Lender's security interest.

EXERCISE OF LENDER'S RIGHTS. Any delay on the part of the Lender in exercising any power, privilege, or right hereunder, or under any other document executed by Debtor to the Lender in connection herewith, shall not operate as a waiver thereof, and no single or partial exercise thereof or any other power, privilege, or right shall preclude other or further exercise thereof. The waiver by the Lender of any default of the Debtor shall not constitute a waiver of subsequent default.

CONTINUING AGREEMENT. This is a continuing agreement and the security interest (and pledge and assignment, as applicable) hereby granted and all of the terms and provisions of this Agreement shall be deemed a continuing agreement and shall remain in full force and effect until the Obligations are paid in full. Any attempted revocation or termination shall only be effective if explicitly confirmed in a signed writing issued by Lender to such effect and shall in me way impair or affect any transactions entered into or rights created or liabilities incurred or arising prior to such revocation or termination, as to which this Agreement shall be truly operative until same are repaid and discharged in full. Unless otherwise required by applicable law, Lender shall be under no obligation to issue a termination statement or similar document unless Debtor requests same in writing, and providing further, that all Obligations have been repaid and discharged in full and there are no commitments to make advances, incur any obligations, or otherwise give value.

ABSENCE OF CONDITIONS OF LIABILITY. This Agreement is unconditional. Lender shall not be required to exhaust its remedies against Debtor, other collateral, or guarantors, or pursue any other remedies within Lender's power before being entitled to exercise its remedies hereunder. Lender's rights to the Collateral shall not be altered by the lack of validity or enforceability of the Obligations against Debtor, and this Agreement shall be fully enforceable irrespective of any counterclaim which the Debtor may assert on the underlying debt and notwithstanding any stay, modification, discharge, or extension of Debtor's Obligation arising by virtue of Debtor's insolvency, bankruptcy, or reorganization, whether occurring with or without Lender's consent.

NOTICES. Any notice or demand given by Lender to Debtor in connection with this Agreement, the Collateral, or the Obligations, shall be deemed given and effective upon deposit in the United States mail, postage prepaid, electronic mail, facsimile, overnight delivery or other commercially reasonable means addressed to Debtor at the address designated at the beginning of this Agreement, or such other address as Debtor may provide to Lender in writing from time to time for such purposes.
